

## See the Oshkosh Community Mural at the Time Theatre

The Oshkosh Community Mural project envisions creating the most impressive, historically accurate and aesthetically pleasing mural in the state of Wisconsin. Oshkosh community members were asked to determine images that best represent Oshkosh and from 766 responses several visual themes emerged. These images have been artistically incorporated into an immense 8' x 72' visual field by local Artist Leif Larson. During the June Gallery Walk, the sketch will be available for public viewing at the Time Theatre. July through October Gallery walks will offer cross-sections of the Oshkosh Community the opportunity to paint the mural. Girls Scouts, Boy Scouts a Veterans will be the first groups in July. Open community painting sessions will be offered in August for all community members. The September Gallery Walk will be open to High School students followed by college age students in October. Painting sessions for special needs groups will be offered.

October will see an influx of activity to the main street area so will the mural signify a reemergence of central Oshkosh with celebration of our history, community and future. As life emerges in the downtown local artist will refine the mural and bring life to community images.

If you have questions or would like to schedule your group to paint on the mural, please contact Rich Norenberg at (920) 235-9997 or (920) 573- 9600. The Time Theatre is located at 445 N. Main St. Downtown Oshkosh.
